Dear Valued Friend and Member:

Thank you so much for your generous and ongoing commitment to the St. James Assiniboia 55+ Centre. As a valued contributor, your support ensures that the Centre is able to function at its optimal level to provide the great services and opportunities that the older adults in the St. James Assiniboia area of Winnipeg deserve.

As you are aware, The St. James Assiniboia 55+ Centre is an independently operated non-profit charitable organization and plays an important role in the community of St. James. As people approach their retirement years and as they adjust to new realities, it can be challenging to discover new ways of connecting with new people, new activities and new surroundings. This is where our Centre steps in by providing a place to meet new friends, connect with one of our many programs and find a renewed sense of purpose through volunteering.

For many people the Centre is like a home away from home and provides them with a second family. This camaraderie is why it is so critical that we continue to have the financial support of our members and the community. After membership fees, programming revenue and corporate sponsorships, we still need to raise over \$34,000 through fundraising each year. As a Centre, we are so fortunate to have many people who are willing to give so much of themselves to make sure that we are able to move forward in our mission.

Today, we are requesting your continued support and assistance with our Annual Appeal. Every donation will benefit us in more ways that you can imagine! Once again, thank you for your support of the St. James Assiniboia 55+ Centre and for your significant contributions to the life and mission of the Centre.

Sincerely,

Gerald Knutson
President, Board of Directors
St. James Assiniboia 55+ Centre
